We handle I-20 issuance, provide visa preparation support, and ensure ongoing compliance and student assistance throughout their studies.

CHANGE OF STATUS (B1/B2 → F-1)

YOUR OPPORTUNITY:

Monetize students already in the U.S. who seek a legal and structured way to remain in the country through education.

OUR ROLE:

We support the entire Change of Status process, including document review, compliance checks, and application guidance.

F-1 TRANSFERS

YOUR OPPORTUNITY:

Quick and efficient enrollments from students already studying in the U.S. who are seeking a school transfer.

OUR ROLE:

We manage SEVIS coordination, facilitate smooth transfers, and offer flexible start dates to simplify the process.

A woman with long dark hair, wearing a white blazer over a pink top, is seated at a desk in an office. She is looking down and writing in a notebook with a blue pen. To her left, a man in a blue sweater is partially visible. In the background, there is a large window showing a view of a red brick building. The entire scene is overlaid with a semi-transparent blue filter.
